ROUTES TO OVERLAND EXPO TRAINING DRIVING COURSE

OVERLAND EXPO TRAINING – DRIVING COURSE

PLEASE arrive 15 minutes prior to your scheduled driving course time slot.

- **TRAINING AREA:** Remember to wear your wristband, they will be checking credentials! **NO WRISTBAND, NO ENTRY! PERIOD!**
- If you have purchased both Training days, then please let your trainer know at the time of check-in for your first session.
- **DRIVING & SAFETY:** Driving within the Training Areas is only permitted during supervised teaching sessions. No driving within these designated spaces after show hours.
 - Safety is our primary concern-always drive slowly (10 MPH Limit).
 - Give pedestrians right of way at all times.
 - Watch for children.
 - Never drink & drive.
- **WHAT TO BRING TO TRAINING:** The training team looks forward to welcoming you to the training area. They request that you bring the following with you to make your experience more enjoyable, safer and to give you the ability to fully participate in the classes.
 - Enclosed toed footwear - driving / hiking style shoes.
 - Work gloves (light weight leather style gloves) if you want to participate hands on in the classes – they do not need to be fancy or expensive, just enough to protect your hands.
 - Hair ties / hair band for those with long hair. We recommend tying your hair back if it is long for safety reasons.
 - Clothing for the weather such as rain jackets / sun hat.
 - Notebook.
 - Camera.
 - Water bottle.
 - Sunscreen.
 - Neck gaiter, buff or bandana (the Driving Course can be dusty at times).

PLEASE NOTE: Our custom-built Overland Expo Training Driving Course presents the off-road driver a variety of challenges that can include:

- Slippery terrain
- Tree roots
- Water

- Mud
- Ruts
- Very close proximity to trees
- Steep hills
- Ditches
- Close in brush

Our goal encompasses several factors:

- To adhere to TreadLightly! principles
- To create a safe learning environment
- To drive using mechanical sympathy
- To be inclusive, and allow as many types of vehicles to join us that the terrain can accommodate.

To achieve these goals, your vehicle must:

- Be a part- or full-time four-wheel drive vehicle.
- A twin speed transfer case (high AND low range gears) - Recommended but not required.
- Suitable all terrain or mud terrain tires.
- Be in good working order with all factory components / systems operational.
- Overlanding and Off-Road Trailers are welcome on the Overland Expo Training Driving Course. If you are planning to bring a trailer, please email info@overlandexpo.com.

CAUTION: As always, our intent is to deliver a safe, fun and rewarding educational experience, however we want you to know that there is the possibility of:

- Trail pin-stripping
- An unlikely possibility of body damage to your vehicle.

HOWEVER, if you listen to your professional instructors, there is no reason for damage to occur.

FURTHERMORE:

- You will NOT need to air down.
- If you are unsure, please come and see one of the training instructors in advance of your driving course.
- Overland Expo and the training instructors reserve the right to refuse unsuitable vehicles on the trail drive experience.
