Overland Expo Show Management makes every effort to protect exhibitors' merchandise and displays. Show Management will provide perimeter guard service on a 24-hour basis to include move-in, show days, and move-out. While Show Management will implement security measures to safeguard your property, neither Show Management, Oak Ridge Estate agents nor employees assume any responsibility for such property, loss, or theft.

Exhibitors are solely responsible for the care, custody, and control of their own exhibit space and material. Exhibitors should carry insurance to cover loss or damage to their exhibit material.

Small electronic equipment such as tablets, laptops, monitors, cameras, etc., should never be left unattended. In cases where valuable equipment may not be removed to storage daily, the services of a private booth guard are available.

When shipping your equipment, do not list contents on the outside of crates or cartons. Do not ship computers, monitors, tablets, or other electronic equipment in the manufacturer's cartons. Place these cartons inside larger crates or have special packaging made, which does not indicate contents.

At the close of the show, when your materials have been packed and bills of lading have been prepared, place your completed bills of lading on your freight. Complete Material Handling form and turn both Material Handling Form and two (2) BOL in at the Show Office before leaving.

### ***Tips To Help Protect Your Product***

- Monitor your booth when your product is being delivered.
- Hire a security guard to watch your booth overnight.\*
- Perform an inventory after your product has been delivered and note any damages or missing items.
- Do not list the contents on the outside of your shipping crates/boxes. Use a code to indicate contents.
- After show hours, cover your displays with a tarp or other solid material to discourage potential theft.
- Do not leave valuable exhibit materials or proprietary information under tables or behind displays when the show is closed, or your booth is unattended.
- Always staff your booth during show hours (required).
- Staff your booth until your product and/or the floor is cleared during move-out. Once the show has closed, pack as quickly as possible and do not leave your display unattended.

\*If you would like to reserve overnight security for your booth space, please contact Show Management

**AFTER-HOURS SECURITY:** If you need assistance from security after show hours (overnight), then call **317-518-3568** and our roaming security will immediately assist you on-site.

**PRODUCT PICKUP:** If you have sold an oversize item that your customer will need help bringing to their campground / car, then call **317-518-3568** and a member of our staff will be able to assist with a shuttle / cart.
